

APT Gallery Application

Introduction

Established in 1995, the Art in Perpetuity Trust's mission is to actively encourage and support creative thought and artistic vision. At its freehold premises on the banks of Deptford Creek, APT provides 42 secure studios for visual artists, a contemporary art gallery, a working sculpture yard and an external public performance space.

APT Gallery's exhibition program combines a curated program along with selected exhibitions and APT initiated projects, supporting new and diverse initiatives that reflect local, national and international practice. As a charity we are determined to keep the Gallery cost as low as possible so, whilst staff and artist-members will support the exhibition program as much as time allows, it should be understood that the exhibitor is ultimately responsible for hanging and installing works.

Exhibition proposals for the APT Selected Exhibition Program are submitted to APT's Gallery Committee for consideration at selection meetings throughout the year.

The following documents are available on our website www.apstudios.org. They should be read before submitting an application.

Exhibition Information (detail)

Brief description of exhibition (200 words maximum)
Why do you want to exhibit your work at APT Gallery?
As part of APT's education remit we require exhibitors to deliver educational activity for each exhibition. For example this might be, a Curator's talk, film, workshop or provide an educational resource.
Please tell us how you will fulfil this remit and if possible give details of when this would take place and the partners and audiences you would work with to make this happen? (200 words max)
