

## Ryder Project Space – Studio 1.7 | 1 May 2018 to 30 April 2019

A.P.T is pleased to announce the provision of a new project studio for visual artists is continuing for a second year. The Ryder Project Space will be offered to a visual artist for one year to enable a specific project, artwork or activity to be researched, produced or delivered. We are interested in receiving proposals that make good use of the studio space and our aim is to encourage the delivery of projects that might not otherwise reach fruition. One A4 PDF document about the planned project should be submitted along with the application form.

The selected artist will join A.P.T for one year, from 1 May 2018 to 30 April 2019, and will benefit from our strong community of 42 visual artists and our local networks. The studio space recognises the contribution that David Ryder has made to A.P.T, he was integral in setting up A.P.T in 1995 and was a Trustee for 21 years. David is now an honorary member of A.P.T and will be sitting on the selection panel. The deadline to apply is 5pm on Wednesday 28 February 2018.

The Ryder Project Space Studio is on the first floor of A.P.T and is 182 sq ft. It has no natural daylight but does have a window that opens on to the corridor. The monthly rent is £116.03 (from 1 May 2017). Electricity is metered and usage is charged annually. A three month deposit will be required and there is a £100 administration charge to join A.P.T.
